But he always refused. "There is no one as good as my queen," he snapped. And so he grew old and cruel, with only Anna, the queen's sister, for company.

Chapter 2  
A proposal

Princess Anna was much younger than the queen. But she grew up to be just as beautiful, and even more kind.

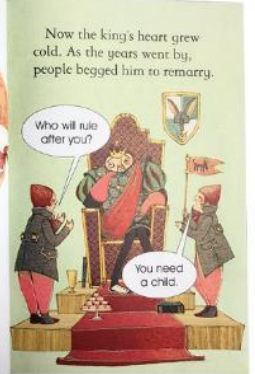

"Anything," vowed the king. "Don't marry again," she whispered, "until you find a wife as good as me!" And then she died.

Now the king's heart grew cold. As the years went by, people begged him to remarry.

Who will rule after you?

You need a child.

"Ha ha!" cried Mervin, with a huge smile. He started to laugh. He laughed until the tears rolled down his cheeks.

Hee hee hee...

"HA! HA! Stop!" he begged. "I haven't felt this happy for years. Tomorrow is Christmas Day! Let's have a party!"

And that's what they did. Even the mayor was invited. After that, Mervin made sure that Zag and the children never went hungry again.

Merry Christmas everyone!

21

The ground shook. Heavy footsteps came nearer... and nearer. The mighty Minotaur stormed into the cave.

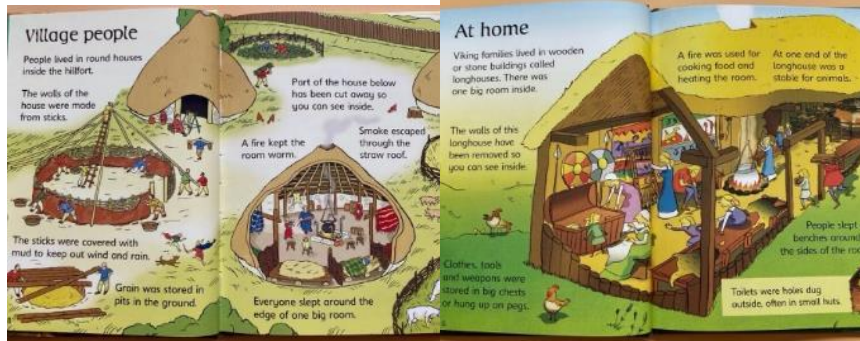

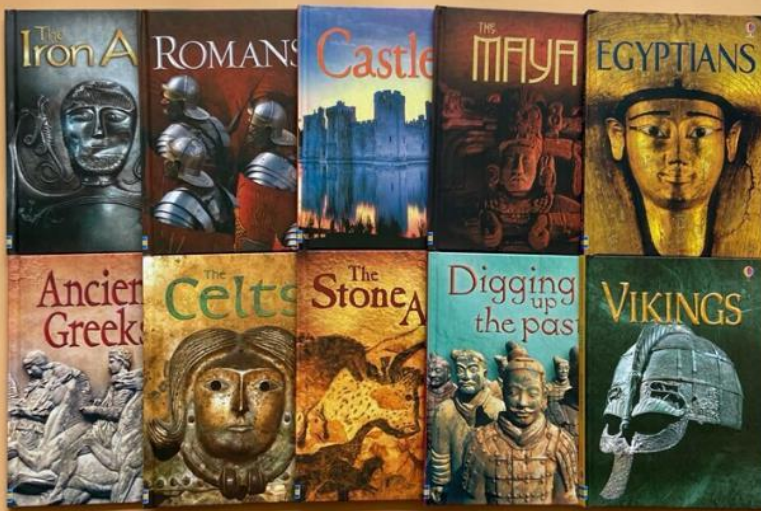

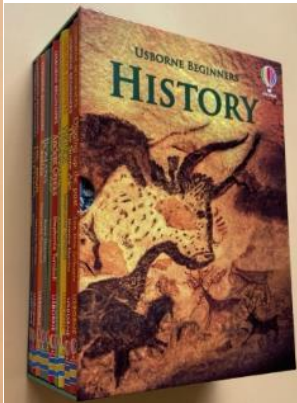

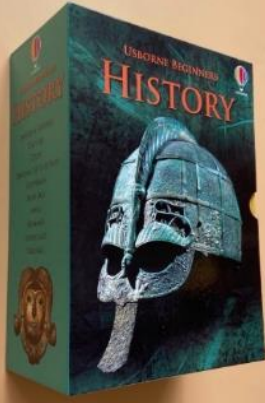

Raaagghh!

It was the scariest creature Theseus had ever seen. He gripped his sword.

Waaah!

Help!
